

Sierra Wireless - The Leader in Industrial and Mobile Connectivity

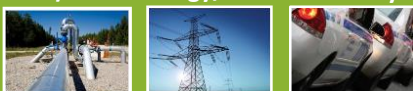

Differentiators

**AirLink® RV50X
Industrial LTE Gateway**

- ✓ Ultra-low power consumption (perfect for solar)
- ✓ Class 1 Div II certification for hazardous environments
- ✓ MIL-STD 810G for temperature and vibration
- ✓ IP64 environmental rating
- ✓ Next Generation GNSS location technology
- ✓ Cloud-Based and On-Premise Device Management Tools

Oil/Gas Energy/Solar Mobility

**AirLink® MP70
Rugged LTE Router**

- ✓ Next Generation GNSS location technology
- ✓ Inertial Navigation (GPS without a view of the sky)
- ✓ FirstNet Certified
- ✓ 4-Port Gigabit Ethernet
- ✓ 3x3 MiMo Gigabit WiFi
- ✓ Telemetry interface for vehicle diagnostics
- ✓ Cat 12
- ✓ Cloud-Based and On-Premise Device Management Tools

Public Safety Field Service Mobility

**AirLink® MG90
Rugged, Multi-Network
LTE Router**

- ✓ FirstNet Certified
- ✓ Dual Radio Capable
- ✓ Supports Band 14
- ✓ Cat 6 and Cat 12 LTE
- ✓ Next Generation GNSS location technology
- ✓ 4-port Gigabit Ethernet
- ✓ Dual 3x3 MiMo Gigabit WiFi
- ✓ Telemetry interface for vehicle diagnostics
- ✓ Secure VPN with sub-second WAN switching and secure mobile extension (peripherals) (ACM)
- ✓ Cloud-Based and On-Premise Device Management Tools

Transit Fleet Management Mobility
