## Durability in the Time You Need it Most.

**Industrial Label Printing** – Citizen industrial label printers are built for durability when you need it the most. The printer features an all metal casing that can be set outside for mobile testing centers and can be *easily cleaned*.

Our supply chain is operating at normal volumes. Citizen is monitoring the daily changes linked to COVID-19 and adjusting as needed.

Learn more about the mobile printer line or to get a sample unit contact **NEWCOM**, a valued Channel Partner at [sales@newcomglobal.com](mailto:sales@newcomglobal.com).

Citizen is dedicated to supporting the efforts of containing and defeating the COVID-19 outbreak. A portion of our printer sales will be directly donated to the CDC Foundation's Research and Support Fund.
