

NEWCOM, is a FirstNet® Dealer making it easy to work with your team to position and provide the correct solution to close business. We have designed our program specifically to meet the needs of manufacturer and vendor partners. We are accountable to keep your lines of communication open with dedicated mission critical solutions that will modernize public safety.

Our complete integration process provides fast turn-around with our certified technicians and experienced project managers to ensure no downtime. We compensate you on all the activations and keep track of them with monthly reports for you. By working with NEWCOM you can now deliver complete working solutions to your customers.

ACTIVATION PLATFORM

TERMS & CONDITIONS

At least one add-on service is required. Add-on services apply to all revenue. Add-on services can be upgraded at anytime, and can be downgraded once per year with 180 days notice. Refer to NEWCOM sub-dealer agreement for specific payout schedules. Customers must maintain services at commissioned level for a minimum of 180 days to avoid chargeback. All orders must use a dealer code provided by NEWCOM, and must not activate FirstNet through any other source. All partners must agree and comply with NEWCOM, AT&T, and FirstNet Authority's rules and guidelines.
