

DELL 75 4K INTERACTIVE TOUCH MONITOR | C7520QT

Smarter, faster collaboration

THE FUTURE OF COLLABORATION

Collaborate seamlessly on this 75 4K interactive monitor with up to 20 touch points.

SIMPLE SETUP AND MANAGEMENT

Convenient connectivity with easy installation and network manageability.

EXCLUSIVE TO DELL. INCLUSIVE FOR ALL.

Exclusive Dell Screen Drop feature, designed to improve reachability for users working from different heights.

TRUSTED RELIABILITY

Dell monitors — World's number 1 monitor brand*, backed by renown reliability.

Smarter, faster collaboration

SEAMLESS COLLABORATION

Instant engagement: With InGlass™ 20-point touch capability, multiple users can interact with the screen at the same time.

Natural touch: Annotate with your fingers, write with a stylus¹, or even erase written content with the palm of your hand — with virtually zero lag. Touch functionality is compatible with most industry-standard software, such as included FlatFrog software.

INCLUSIVE FOR ALL

Exclusive Dell Screen Drop: Improve reachability for users of different heights using Dell Screen Drop, the world's first accessibility feature**. Buttons at the side of the panel enable users to lower the displayed images to 3 different height settings so it's within easy reach.

IMPRESSIVE PERFORMANCE

Keep audiences captivated: Experience exceptionally sharp text and images with 4K resolution and Dell technology that optimizes text. The monitor's wide 178°/178° viewing angle lets you and your team see fine details and vibrant colors from either side of the room. Plus, anti-glare and anti-smudge coatings reduce distracting reflections or fingerprints.

EASY TO MANAGE

All-in-one convenience: Seamlessly integrate an optional Dell OptiPlex Micro PC into the back panel and easily upload your preferred corporate image for a display solution that adheres to your company's security and service standards.

Simplify IT management: RJ45, RS232 and HDMI CEC ports allow your IT to conveniently control your monitor via the network or meeting room control systems.

Lock it down: Reduce display changes in high traffic environments with Lock Mode, a feature that allows IT to control menu and power options.

TRUSTED RELIABILITY

Minimize downtime: Your monitor comes with a 3-year Advanced Exchange Service² so that if a replacement becomes necessary, it will be shipped to you the next business day during your 3-year Limited Hardware Warranty³. You can also extend your coverage up to 5 years.

Get a higher level of support: Upgrade to 24x7, in-region technical phone support from qualified engineers with the ProSupport option.
